Under the annual subscription 2021 online, 4 issues (Jan-Dec 2021) will be delivered at a special price. Cancellation of the annual subscription is possible at any time if the cancellation notice period is observed. The cancellation notice period is three months to the end of the subscription period. If the subscription is not cancelled, it continues for a further year for the normal price for online. The subscription period of the online version is the same as that for the print version. Access to the E-Journal (online issue) is through the Wiley Online Library (<http://onlinelibrary.wiley.com/>). The online service permits the reading of the E-Journal from one geographically coherent location: office, building/campus or town. If access to the E-Journal from more than one location is intended, please contact us.
* € prices are net German prices, plus VAT, incl. postage. The new customer offer STC50 is valid until 31.12.2021 for new customers of Steel Construction. The delivery and payment conditions of the publisher and the Wiley Online Library are applicable.
